ERSKINE COLLEGE SPORT MANAGEMENT PROGRAM

SUPERVISOR'S FINAL EVALUATION:

To be completed by intern supervisor. The organization is expected to provide an educational experience for the intern. As such, it is necessary that the intern's supervisor provides constructive feedback to the student intern. This FINAL EVALUATION should be completed by the organization supervisor, and the evaluation should be discussed with the intern in a conference setting. Then, both the intern and supervisor should sign the form, and the form must be submitted to the Sport Management faculty supervising the intern. A PDF copy of the signed form should be submitted to the faculty supervisor's email by the organization supervisor by the student. If the final evaluation conference happens remotely rather than in person, the organization supervisor can send the completed form to the faculty supervisor's email and copy the student on this email. Evaluations submitted in this fashion do not need to be signed by both parties. The evaluation should still be discussed with the intern in a conference setting.
